BROOKLYN AND CHICAGO PLAY SECOND GAME.

Wild Bill Donovan in Box for Superbas—Harding Colts Pitcher.

(Special to The Evening World.)

WASHINGTON PARK, BROOKLYN, Sept. 4.—Brooklyn played Chicago again this afternoon. The crowd was small, which was perhaps due to the threatening weather.

The Superbas were in a pleasant frame of mind, having won the first game of the series, and they felt confident of taking another.

This defeat pushed the Windy City team out of fourth place. This is the first time this season that the Chicagoans have been forced to suffer the humiliation of occupying a position in the second division.

The day was another one of those threatening ones. The sky contained innumerable rain clouds which threatened to empty their contents at any moment.

Bill Donovan was selected to do the twirling for the trolley dodgers, while Harding, another one of the new youngsters, was pitted against him.

When the game started there were about 1,500 persons present, including over 300 of the fair sex.

First Inning. Slagle ranned. Dobbs slammed a high bouncer into Irwin's hands. Dahlen got King's high fly. No runs. Tinker got Keeler's grounder and threw him out at first. Dolan was thrown out at first. No runs.

Second Inning. Tinker struck out. Murray's fast bouncer was grabbed by Dahlen. Evers retired the side by slugging a low line fly to Keeler. No runs.

Third Inning. Taylor died on his soarer to Keeler. Menefee's grounder was cleverly stopped by Flood. Harding was dismissed on his grounder by Dahlen and Farrell. No runs.

(Continued from First Page.)

Gann by McGraw. Cronin handled Crawford's bouncer neatly. No runs. Brown batted second and was out. Kelley and reached first. He was advanced while Poole was sending McGraw's bunt to first. Brown's hit was a hard one to steal third. McGraw hit a hard one to Corcoran and the Red was a bit slow in getting the ball to first, so Big Dan was safe. Brodie's short fly was taken by Crawford. No runs.

Second Inning. Seymour was a victim of Cronin's curves. Kelley's walk, Corcoran's hit to McGraw was Kelley's undoing at second and by a quick return of the ball Corcoran was doubled at first. No runs.

O'Neill's little bouncer to Poole was at first ahead of him. Lander couldn't hold Poole's curves. Smith's hit back of third was a single, but George was caught trying for two bases on the hit. No runs.

Third Inning. Steinfield's hit into Brown's field was for a base. Smith fumbled Berge's hit for a moment, but got the ball to McGraw in time. Poole's curve was a double and went on to third, but Steinfield couldn't get home, and aided by a wild throw by O'Neill, Steinfield and Poole reached third. Lander caught Donlin's line fly. Smith made a mess of Beckley's bouncer and old John reached first and Poole scored. Crawford's hit to McGraw forced Beckley at second. Two runs.

Dunn was passed to first. Cronin was strike-out victim. Browne rapped a safety to center. Cronin's hit to Dunn and Browne scored while Seymour was fumbling the hit. McGraw dropped.

Fourth Inning. Steinfield's hit into Brown's field was for a base. Smith fumbled Berge's hit for a moment, but got the ball to McGraw in time. Poole's curve was a double and went on to third, but Steinfield couldn't get home, and aided by a wild throw by O'Neill, Steinfield and Poole reached third. Lander caught Donlin's line fly. Smith made a mess of Beckley's bouncer and old John reached first and Poole scored. Crawford's hit to McGraw forced Beckley at second. Two runs.

EIGHTY GOLFGERS START AT DEAL.

Competitors for Cup Prize Begin Play on Wet Links and Are Bothered by Showers.

(Special to The Evening World.)

DEAL BEACH, Sept. 4.—The competitors in the invitation tournament of the Deal Golf Club were put to some inconvenience this morning by wet grass and occasional showers, but nevertheless eighty men drove off from the first tee.

The first sixteen will qualify for the Deal cup, the second sixteen for the consolation cup and the third sixteen for a special cup.

The pair which attracted the most attention and carried a gallery of enthusiasts despite the wet grass were Walter J. Travis, Garden City, ex-amateur champion, and Archibald Graham, North Jersey Country Club, ex-champion of New Jersey.

The record of the course is 72, held by Graham, but there will be no record-breaking golf played to-day, as there is no roll to the ball on account of the wet grass.

Neither Allan Kennedy, the New Jersey champion, nor Charles H. Seeley, the Connecticut champion, put in an appearance, but there are many other good men competing.

Travis and Graham finished at noon. Their cards were:
